

As a Death Doula and former classroom educator, Victoria is well traveled, and has invested over 8 years exploring alternative paths of self-development. Through grief, divorce, and natural disaster, she has learned to pivot effectively to build the skills necessary in cultivating an enriched life. Victoria's mission is to guide others in authenticity on their own journeys of transformation.

Victoria Ransburg

SELF-DEVELOPMENT GUIDE | DEATH DOULA | CLASSROOM EDUCATOR

SPEAKING TOPICS:

- **Dying with Dignity**
 - Guidance in dying the way we desire with the support we all deserve
- **Achieving Classroom Excellence**
 - A how to for classroom management, student-centered learning, and measurable progress
- **Unconventional Self-development**
 - Exploring deeply personal and experiential learning motivated by the desire to discover what truly works for you even when it's not what society expects
